Subject: Division Directive to Reclaim, Jon Young, Torrey Buff Quarry, S/055/0012, Wayne County, Utah

Dear Mr. Young:

On October 11, 2011, the Division of Oil, Gas and Mining issued a directive that you reclaim the Torrey Buff Quarry, S/055/0012, by December 31, 2011. The site was inspected on May 2, 2012, and although some reclamation work had been done, reclamation had not been completed.

Additional work needing to be done includes removing all the pallets, regrading, and covering disturbances with the berms of soil. Stone on the pallets should be removed or spread around the site.

The Division is unilaterally extending the deadline for completion of this work until June 30, 2012. **If the work is not completed by this date the Division is likely to issue a cessation order which will include a fine.**

Please contact Wayne Western if you have questions about reclamation procedures. He can be reached at 801-538-5263 or by e mail at waynewestern@utah.gov. Other questions about this letter may be directed to me at 801-538-5261 or by e mail at paulbaker@utah.gov. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
